## Key features & message hierarchy

### Internal space efficiency with Space Max<sup>™</sup> technology

SpaceMax™ technology uses minimal insulation, so the internal walls are thin to create more storage space inside without increasing external dimensions.

## Designed to fit standard Australian kitchens\*

Designed to fit under standard Australian kitchen bulkheads, it helps create a harmonious look for clean styling and an integrated, modern look\*

### Enjoy refreshingly chilled water or ice, straight from the fridge door!

With the convenience of a plumbed Ice & Water dispenser, you can enjoy chilled water on demand. Perfect for entertaining!

The brushed stainless steel finish with flat doors and recessed handles adds a touch of elegance to your kitchen. Controls that are not frequently used are

## Chill fast with Power Cool and Power Freeze

relocated to the inside of the fridge to give a seamless look.

Sleek & seamless design

Enjoy rapid cooling performance at the touch of a button. Power Cool blows intensely cold air into the fridge to help quickly cool groceries or drinks, while Power Freeze delivers a fast blast of cold air into the freezer. Great for making
