Apple Watch

Fast Wireless
Charging

Single Handed
Operation

Strong Magnetic
Mounting

Journey MagSafe Compatible Wireless 3-in-1 Charging Stand is an easy-to-use product with triple wireless charging capability for MagSafe devices, Apple Watch and AirPods/Pro. Simply connect to the 18W charging wall adapter included and bring your Journey MagSafe Compatible 3-in-1 Wireless Charging Stand Bundle with 18W Wall Charger to life. With smart in-built LED indicator, you can easily check whether your devices are charging, and it blinks when an unidentified object is placed on the wireless charging pad.

JOURNEY

Fast Wireless Charging for all devices:

The MagSafe Compatible 3-in-1 Wireless Charging Stand is enabled with Fast wireless charging technology to charge your Apple MagSafe compatible phone, Apple Watch and AirPods/Pro, conveniently kept on your desk. Wireless charging is enabled when the respective device comes in contact with the charging pad. The device can output a maximum of 10W power for MagSafe enabled devices, 5W for AirPods/Pro and 3W for Apple Watch charging. The device exceeds all safety and performance requirements.

Single Handed Operation:

The easy-mount mechanism lets you mount or dismount your devices in seconds by a single-handed operation. Mount the phone by placing it in the centre of the MagSafe charger surface. The magnetic would gently attach itself to the back of your phone and charging will commence shortly. For Apple AirPods/Pro and Apple Watch, easily place them on their respective charging module and they too shall commence charging easily.

JOURNEY

Certified Safe – Meets and Exceeds all Safety Standards

Charge your devices with peace of mind, knowing that the Journey MagSafe Compatible Rapid 3-in-1 Wireless Charging Stand is certified to meet and exceed all local and international regulatory standards. The device has gone through rigorous testing to help ensure safety, interoperability, and energy efficiency.
