Supplied:	AC power cable, optical cable, reference guide, Start-up guide for TV Sound Booster

### The SRS-XV900B features **omni-directional sound**.

This means music is spread wider than other party speakers, to ensure everyone enjoys the music.

1. X-Balanced Woofer
2. Mid-range speakers (x2)
3. Front tweeters (x2)
4. Side horn-tweeters (x2)
5. Rear-facing tweeters (x2)
6. Bass-Reflex ports

The SRS-XV900B also features **omni-directional lighting** – so soft, ambient colour spreads from every corner of the speaker. Lighting can be adjusted, or turned off if not required
