

## Side by Side Series

### GS-B655PL Product Sheet

#### Pure N Fresh™

Minimise fridge odours with this air filtration system. A fan actively forces odours through the carbon deodoriser and re-circulates the treated air.

#### SurroundCooling™

Cold air surrounds your food from both the front and back for quick, effective cooling - helping keep food fresher for longer.

#### Inverter Compressor

We've got your back with a 10 Year Parts Warranty on the heart of the fridge<sup>1</sup>.
