PUMP AIR PRO

PREMIUM ACTIVE NOISE CANCELLATION EARBUDS

ACTIVE NOISE CANCELLATION

The Pump Air Pro takes ANC to a premium level with up to 30dB of noise cancellation. This keeps you in a bubble of only what you want to hear, so your music and calls are uninterrupted.

ADVANCED TRANSPARENCY MODE

Amplify your surroundings while you listen to music, so you can still hear what is going on in the world, or the house around you.

TOTAL CONTROL

The Pump Air Pro delivers ANC, music, call and volume controls all without the need to touch your phone, so you never miss a beat and stay in your bubble.

BIG SOUND, SMALL PACKAGE

Expertly tuned by studio engineers, the Pump Air Pro 12mm signature drivers deliver bass rich audio integrated inside, discreet earbuds for an immersive audio experience from the gym, the daily commute or the plane.

READY FOR ANYTHING

IP55-rated water and sweatproof, the Pump Air Pro is designed to take on sweat, rain, spills and can withstand your most rigorous outdoor workouts - no matter the weather condition.

IMPROVED POWER

Power through your day with up to 35 hours* of wireless listening, and stay topped up and ready for use with the included rapid charging case.

PERFECT FIT

Make Pump Air Pro yours with our range of ear tip options. Get the right fit with 3 size options of Comfortseal ear-tips. The best fit means the best sound.
